

**We want to know:
how do you
like your eggs?**

**Come see what we're cooking up on York Street
at our *Open House Breakfast Tour*.**

Any weekday morning, you can sit down with us for a delicious breakfast and then see for yourself how our network of programs works together to make a difference for our women and children.

We would love for you and 5-10 of your friends or colleagues to join us for this special glimpse into all that is made possible by our friends and supporters.

**reserve your space at our breakfast
table by calling 201.451.8225**

Working together since 1989 to help women and children break the cycle of poverty, we are :
